

What is Ripe Strawberry Beauty Enzyme Jelly?

Our strawberries are carefully grown on a farm that has been free from agrochemicals and chemical fertilizers for three years and three months. These ripe strawberries are fermented with enzymes with no additives.

The result is a new type of enzyme jelly filled with the strawberry's powerful fermentation extract and fruit.

Ripe Strawberry Beauty Enzyme Jelly

- Delicious dieting
- Refreshed feeling from the morning
- Dietary enzyme
- Vitamin C
- Woman's vitamin Folic Acid
- Only 11.3kcal per packet
